LESSON 10. CASE STUDIES

References:

With the help of previous lessons choose a topic in the area of Migrations and Migrants. For instance: Brain Drain, Erasmus Students as Immigrants, Social Networks and Immigration, Refugee, Domestic Workers, etc.

After that, with the help of our "Electronic Resources" (see in the Library) databases, choose an specific article in the issue you have chosen. Describe in 1-2 pages the objectives, methodology, and main results that you found in this article.
